

RootsTech 2018

This page is a one-stop shop for all our RootsTech 2018 content. Our experience in the Media Hub at RootsTech has been amazing in years past, interviewing the keynote speakers and getting insider tips. We are thrilled to serve as official RootsTech Ambassadors for 2018 and we were also selected to present for the first time!

Our workshop is: Video Stories: “Preserving stories with free, easy video tools”

It will be taught Friday, March 2 at 1:30 p.m. For a full list of classes, [click here](#):
