

# [Resources Overview](#)

Our life's work is helping you tell your story, any way we can. This means hunting for the great tips and resources, and freely sharing them here.

While we are professionals who make our living doing this work, we also offer up our tools of the trade. No charge, no strings, we truly just want to encourage your your efforts.

Here are the index pages for our resource articles:

- [Take a class to tell your story](#)
- [Interviewing](#)
- [Recording and audio](#)
- [Writing Resources](#)
- [Transcription](#)
- [Audio Inspiration 12 tools for family historians to digitize and preserve audio](#)
- [Video tools for telling your story](#)
- [Finish your story with a little help](#)

If you prefer to engage us or purchase add-on help such as coaching, transcription, or writing, please check out our "[Services](#)" page.
